INTRODUCTION

Intro

Since stepping on stage in secondary school, Tham Ya has been drawn to the adrenaline of hosting and the art of connecting with live audiences. Today, she brings that same energy to every stage. From corporate, lifestyle, and sports events to radio and YouTube broadcasts, she crafts experiences that are engaging and memorable.

Known for her warmth, wit, and natural charisma, she creates an atmosphere where audiences feel both energised and at ease. More than just an emcee, she is a storyteller and connector.
