

PROFESSIONAL BILINGUAL EMCEE

Wendy Ng | 黄蕙瑩

Wendy is a versatile emcee with a bubbly and cheerful nature. She injects fun and energy into the events she hosts, both in person and online.

She has anchored a slew of community events, from fiestas to dinners, celebrations to charity cruises. Outside of community events she also emcees for roadshows and the occasional weddings. Her complementing skillsets as a facilitator also sees her hosting dialogue sessions and moderating talks for an international crowd within Singapore and in the Asia Pacific region.

She is fluent in both English and Mandarin and can toggle between both with ease, providing smooth engagement and translation on the spot.
