Emcee Portfolio

Planning an event?
I'll bring it life.

Hello!

I've been emceeing for over 6 years and what I enjoy most is making people feel like they're a part of something truly special. When you choose me as your emcee, you can expect not just a host, but a true partner who is dedicated to making your event shine.

Let's collaborate to create memorable experiences that'll leave everyone talking long after the event is over.

Client Testimonials

"Mugdha is a consummate professional communicator and emcee. She takes her role very seriously and always shows a very precise understanding of the brief. Her audience control is amazing, and she is an expert in capturing the mood of any kind of events, as well as keeping a good pace with the proceedings. Mugdha is witty, charming, eloquent and respectful of the audience. She never fails to curate her remarks with great care and attention to detail. She is a great listener who embraces all projects with her trademark enthusiasm.

She is a true professional and a future star in the making!"

-Carl Tan, SMU

"I have worked with Mugdha when she hosted for my company's events twice where I have seen her dedication, her wits, and her overall professionalism first hand. We couldn't have asked for a better emcee as she wasn't just reading from a script, but looking to make our audience engaged! I look forward for her to host one of our future events again someday."
